

# CROSSLINK™

## ONE FRAME, ENDLESS POSSIBILITIES

The contemporary styling has a sporty edge that looks great with clear or prescription sun lenses. CROSSLINK™ can take you from the office or campus to the links, tennis court, hiking trail and beyond. The interchangeable temple design, and a second set of stems with each frame, allow for originality in seconds. One frame. Endless possibility.

### THE CHALLENGE

To find the Optimal Rx frame for a patient who is searching for a frame they are able to wear everyday; to work or school, but can also be worn when doing something active.

### THE SOLUTION

Oakley Crosslink™ collection: an ophthalmic frame collection with a true crossover design that combines a sleek and modern look with Oakley sport performance features.

**ALL-DAY COMFORT**  
Our O Matter™ frames are engineered for total comfort

**ZERO PRESSURE POINTS**  
Our Three-Point-Fit eliminates any unbalanced pressure points

**OPTIMIZED FIELD OF VIEW**  
For high minus via 6 base frame curvature

**A GREAT FIT**  
Wire core O Matter™ temple allows for easy adjustments for every patient

**UNIQUE**  
Interchangeable temple design allows for a personal look

**NON-SLIP**  
Our Unobtainium® nose pads and earsocks keep frames in place during activity and sports participation

**CROSSLINK™**

**CROSSLINK™**

# PRESCRIPTION FOR **VERSATILITY**
