WHY OAKLEY: INNOVATION / POLARIZATION

INNOVATION

OPTICAL SUPERIORITY

Clearer, sharper vision that creates less image corruption.

UV PROTECTION

Block 100% of UVA/B/C and blue light for the ultimate protection your eyes and skin from the sun's harmful rays.

IMPACT PROTECTION

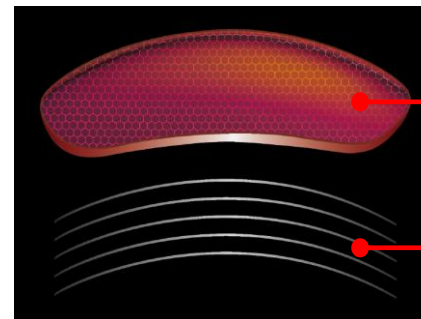

Superior protection against objects at varying speeds that no other lens offers.

POLARIZATION

HD POLARIZED

- + Safest, most glare free light
- + No layering or distortion
- + No compromise in clarity

Oakley: Fused using injection molding

Competitors: Layered using adhesive
